Cynergy Parabolic Retrofit Kit high efficiency fluorescent upgrade

GENERAL DESCRIPTION

The Cynergy (CYN) Series has been developed for illumination of interior spaces where superior advanced fluorescent lighting is required together with high fixture efficiency. This series provides an attractive, energy efficient architectural look which has been specifically designed to replace existing parabolic troffer style fixtures. Comfortable, low glare, uniform lighting is attributed to this style of fixture. The retrofit kit (KCN) converts existing inefficient parabolic fixtures into the Cynergy design.

Typical applications for this type of product are interior spaces where finished ceilings and walls exist. Applications Include:

- Commercial/Corporate Office Spaces
- Retail Spaces, Public Spaces and Airports
- Schools, Colleges and Universities
- Hospitals, Government Facilities and Military Bases

DESIGN FEATURES / SPECIFICATIONS

CONSTRUCTION

- Precision die-formed from 22 ga. cold rolled steel.
- Mechanically fastened / resistance welded for superior construction.
- Finish on internal bracketry to be prepainted gloss white polyester powder coat enamel.
- Finish on all external cosmetic frame door to be postpainted "textured" high reflectance white polyester powder coat enamel. Custom colors are available.
- Heavy gauge steel (NYC) is optional.

REFLECTOR

- Precision die-formed optics which has been designed for maximum efficiency and photometric properties using the latest CAD software.
- Choice of optics include focused, normal and spread distribution.
- Choice of reflector materials include:
 - Alanod Miro4 Enhanced Specular Aluminum, 95% total reflectance, 25 year warranty.
 - Enhanced Specular Aluminum, 92% total (min.) reflectance, 25 year warranty.
 - High Reflectance White Powder Coated Alum., 91% total reflectance, 10 year warranty.
 - Consult factory for availability of all other material choices.

LAMP HOLDERS

- Vossloh-Schwabe® premium type featuring:
 - Anti-vibration internal lamp locking design
 - High temperature resistant "T" marking.
 - Heat and UV blocking shield to prevent degradation of material
 - Multi-point contact design for optimum lamp pin contact.
 - Produced in accordance with DIN ISO 9001 and IEC standards.

BALLASTS

- All standard ballasts are electronic, energy saving, thermally protected, Class-P, non PCB, Sound Rated "A", 0 degree (Type 1 Outdoor). Consult with factory for the latest information regarding power shedding, step / dimming, sunlight harvesting and other energy saving options.
- UL/CSA certified, where applicable. Compliant with Federal Ballast Law (Public Law 100-357, 1988).
- Choice of ballast factors: L=Low, N=Normal, H=High.
- Warranted by ballast manufacturer. Typical ballast warranty is for 5 years (120v-277v) and 3-years (347v-480v). Consult factory for latest warranty information.

LAMPS

- Supplied by others unless otherwise specified.
- Factory installed if required - Consult factory.
- Lamp Type, CRI ratings, temperature colors, lamp life ratings are all viable options which can be supplied - Consult factory for information.

LOUVER

- Precision die-formed from 22 ga. cold rolled steel.
- Flat cross blades are manufactured from 20 ga. cold rolled steel for added rigidity.
- Flat cross-blade design provides high overall efficiency as compared to traditional parabolic louvers.
- Finish on louver to be post-painted "textured" matte white polyester powder coat enamel.
- Consult factory for all available diffuser configurations and color options.

MOUNTING

- Retrofit kit is designed to be installed into existing parabolic troffers. Please refer to installation instructions. Special kits are available for certain applications. Please consult factory.

ELECTRICAL

- Retrofit kit is UL/CUL classified – Type II Retrofit.
- Product includes luminaire disconnect as specified in NEC 410.73(G), 2005 Edition, and CEC part 1, rule 30-308(4), 2006 Edition.

QUALITY CONTROL

- All retrofit kits are designed, fabricated, assembled, tested, packaged and shipped from RENOVA's manufacturing facility.

GUARANTEE

- RENOVA warrants all fixtures to be free of defects in manufacturing and workmanship for a period of (1) year from date of purchase. Please refer to the "Terms and Conditions" section of the RENOVA website for additional information.

Note: RENOVA products are constantly being improved; therefore, the information shown is subject to change without notice. Always consult your lighting representative or RENOVA Lighting Systems, Inc. for the latest information.
